JAPANESE EXPENDITURES

Tokyo.- Japan's military forces will double their expenditures on guided missiles, rockets and submarines in the year beginning April 1.

A spokesman has said emphasis will be placed on research and development of air-to-air missiles, anti-tank rockets, guided torpedoes, and long-range sonar equipment for submarines.

Sidewinder air-to-air missiles have been ordered from the United States ,with delivery of fourteen expected by March. Anti-aircraft missiles have been received from Switzerland. Japan's first postwar submarine will be launched in April.

Budget puts emphasis on foreign economic aid.

Prices of cotton futures move irregularly.

Textile men urge modernization of industry.

Record of $5,484,000,000 asked for research.

From where I sit ... *by* Joe Marsh

Smiley Tries a "Treasure Hunt"

They're already pouring foundations for Smiley Roberts' new store, now that the old house on the place has been torn down a record time.

"Those wreckers sure did a fast job," Smiley explained with a chuckle. "Of course, I helped speed things up myself.

"Someone found a letter behind a rafter. Gave me an idea. I put $30 in an envelope, hid it, then 'discovered' it right under their noses. After that, the boys worked so fast I gave them that thirty dollars as a bonus!"

From where I sit, some things —like being a good neighbor— shouldn't require "special inducements." That's something we should all want to be—just automatically. When you visit my home, for example, I try to be a good neighbor by serving you your favorite beverage— be it coffee, tea or a glass of beer. Extend the same courtesy to me, and I'd call that a "bonus" of good neighborliness.

Joe Marsh

Pamplin Farmers Study Machinery Maintenance

Machinery maintenance with special emphasis on farm tractors will be the topic tonight at the Pamplin Adult Farmers Class. W L. Motley and J. E. Tibbs will lead the discussion in the class ,which starts at 7:30 P. M., in the Pamplin school. It is planned to follow this classroom discussion with an actual tractor maintenance demonstration soon in the Pamplin school shop. The shop is located in the basement of the school building at the rear.

Counting tonight, there will be five more meetings this winter of the Pamplin Adult Farmers group. Future topics for discussion will be: Developing a Soil and Water Conservation Program, on Feb. 19, led by County Soil Conservationist Ed Dickerson; Certifying Disease Free Cattle Herds, by H .B. Pack, on Feb. 26; Determining Whether to Use Artificial Insemination, by a member of the Virginia Artificial Breeders Association on March 5; and Woodland Management by a member of the Virginia Forest Service on March 12.

The Farm Machinery Repair "hop" Classes are being held every Monday night from 6:30 in the basement of the Pamplin School for farmers in the Pamplin area. Membership dues are $1.50. Instructors are W .L. Motley and J .Everett Tibbs. All farmers in the Pamplin area are welcome at either of these classes.

Demonstration Club Schedule

Home Demonstration Club schedule for next week:

Demonstration: Kinds of Interior Paints.

Monday, Feb. 16.- Wreck Island Club will meet at 2 P. M., with Miss Kate Jones presiding. Please note change in date of meeting.

Monday, Feb.'16.- Liberty Chapel Club will meet at 7:30 P. M. with Mrs. Mildred Coleman.

Tuesday, Feb. 17.- Appomattox Club will meet at 2 P. M. with Mrs. S. S. Shouse.

Thursday, Feb. 19.- Pamplin Club will meet at 2 P. M. with Mrs. Percy Lucado.

February Is Pruning Time In Vineyards

The best time for pruning in the home vineyard is from the middle of February until the buds swell, say VPI horticulturists.

They point out that the grape vines must be pruned annually to reduce the amount of wood and limit the amount of foliage, keep the vine off the ground, expose the fruit to light and air ,and permit more thorough spraying.

The specialists explain that fruit is borne on shoots developing on one - year wood or canes. Vines should be pruned to train the trunk and arms so the remaining amount of old wood supports the desirable new wood.

HEART FUND SUNDAY PLANNED

Mr. Ivey Holland, chairman, announced this week that Sunday, Feb. 22, would be Heart Fund Sunday in Appomattox ,and that a special effort would be made to receive contributions at that time.

He noted that diseases of the cardiovascular system took 877,280 lives in 1957, accounting for 53.6 per cent of all deaths in the U. S. that year, according to figures recently released by the National Office of Vital Statistics. Among persons under 65 years of age, the death toll was 245,940, or 35.4 per cent of all deaths in this age group. Most of these—236,540 were of persons between the ages of 35 and 65.

Although the 1957 total showed an increase of approximately 34,000 in cardiovascular deaths over 1956, the rising number of older people in the U. S. rather than any significant trend in mortality from the cardiovascular diseases.

The Heart Fund is a most worthwhile effort to study and control the problems of heart disease.

NOTICE TO PARENTS

If your child begins school next September, please send his or her name to the principal of the school to which he or she will attend. A child has to be six on or before September 30, 1959.
Mildred O'B. Alvis,
Visiting Teacher.

GIRL SCOUTS HAVE COOKIE SALE

Girl Scout Cookie Time is here again. Beginning Saturday, February 14, and lasting for a week, the Girl Scouts in Appomattox and in Pamplin will be ringing doorbells, taking orders for cookies. Taking orders for cookies is the only moneymaking project of the year for the Brownies. Intermediate Scouts are allowed one other project. A part of the profit remains in the troop, and the balance goes entirely for the support of the camping program, which receives no other financial support, and is an important part of Scouting. Not only does it support Camp Sacajawea, the area camp located just outside of Lynchburg, but neighborhood Day Camps, and Appomattox does plan to have a Day Camp here this summer.

Three kinds of cookies will be sold this year, a sandwich filled cookie, a chocolate covered mint, and butter-scotch chip. The goal for Appomattox Troop 1,170 boxes.

If a Girl Scout does not ring your doorbell ,you may order cookies by calling any of the following numbers: 4061, 2089, 4301, 3122, or Pamplin CI 8-2751.

LOCAL STUDENTS ON VEPCO TOUR

More than 1,300 students from high schools in Virginia and North Carolina will tour the power stations of the Virginia Electric and Power Company during the week of February 8-14, in orbesarvance of the 112th anniversary of the birth of Thomas Alva Edison. Edison's birthday, on February 11, has been designated as Science Youth Day throughout the nation. The students and their teachers will represent public, private and parochial schools in the two-state area.

Included in the touring group will be eight students and one faculty member from Appomattox High School, and five students and the principal, James Hancock, from the Concord High School , and groups from Farmville, Wornham and Cumberland High Schools. A chartered Trailway Bus will pick up these groups Thursday morning, take them to the Vepco Bremo Bluff Power Station, where they will be given a guided tour of the station ,will have lunch and return to their respective schools in the afternoon. The bus is scheduled to leave Appomattox at 8:50 A. M.

This will be the third consecutive year that Vepco has participated in the program. Open to the students will be six of Vepco's generating stations: Bremo Bluff, Chesterfield, Portsmouth, Possum Point, Roanoke Rapids and Yorktown.

Murrow won't tell source of vice broadcast.

Monthly Meet Of Supervisors

The Appomattox Board of Supervisors met yesterday in a routine monthly session. Preliminary study of budgetary matters were brought up, as within a month the board will be considering and acting on the year's financial program. Every indication points to borrowing during the present year, and a raise in the tax rate.

Tobacco Vote On Feb. 24

Growers of sun-cured and burley tobacco will vote on Tuesday, February 24, on narketing quotas for the next three crops, W. D. Hix, III, chairman of the Agricultural Stabilization and Conservation Committee, reminded farmers today.

Growers eligible to vote in the referendum are all those who produced sun-cured or burley tobacco in the Soil Bank Acreage Reserve or Conservation Reserve, or whose acreage allotment was preserved under section 377 of the act are eligible to cast ballots.

"The decision to be made in the quota referendum can be simply stated," Chairman Hix declared. "If quotas for Virginia's sun-cured and burley tobacco are approved by at least two-thirds of the growers voting, the law provides that marketing quotas — with penalties on 'excess' tobacco marketed, acreage allotments, and price supports will be in effect for the 1959 crop. The price support level for Virginia sun-cured tobacco is 66 2/3 per cent of the burley support rate which is 90 per cent of parity, but not to exceed the higher of 90 per cent of parity or the support level applicable to the 1957 crop.

"On the other hand, if more than one-third of the voters disapprove quotas, then, for marketing purposes during the 1959-60 marketing year, there would be no marketing quotas, no penalties on 'excess' tobacco, or acreage allotments, and no price supports for the 1959 sun-cured or burley tobacco crop. In that event, another referendum would be held next year on marketing quotas for the next three crops of sun-cured and burley tobacco."

Notices of individual farm acreage allotments have been mailed to farm operators so that they may know in advance of the vote how the quotas will affect their farming operations in 1959.

The polling place will be announced later.

CLASSES GIVEN IN HOW TO SUPERVISE

The Distributive Education Dept. of the Appomattox High School announces the opening of a new adult class in, "How to Supervise," under the direction of Mr. Jack Hindle, Adult Training Specialist for the State Dept. of Distributive Education. There is a great difference in being the Boss and an Effective Supervisor, and Management has in the past few years realized this and is doing much to educate supervisors and potential supervisors in the field of Supervision. A supervisor is one who in addition to his training, is trained to get the most possible production from his employees by making them feel that what they do will be rewarded in job satisfaction. How to meet mistakes with constructive criticism so that the answer becomes a learning tool ,is an objective. "How To Supervise" will develop an understanding of good employer-employee relations and a better understanding of the ways people work for and with one another in this modern day of business.

This class is designed with you in mind, and is open to all in this area interested in being a better supervisor and also to those interested in preparing for a supervisory job in the future, whether you supervise one or a hundred.

Classes will be held at 7:30 P. M., on Feb. 16, 18, 23 and 25, at the Appomattox High School lounge.

Contact Mr. Charles A. Wilson, D. E. Coordinator at the Appomattox High School for further information.

Americanism Stressed At Auxiliary Dinner

Members of the American Legion Auxiliary Unit 104 enjoyed the fellowship of a "covered-dish" dinner at the American Legion Home on Monday night, Feb. 9. Mrs. John Cole and Mrs. Ed Dickerson were hostesses in charge of arrangements for the dinner. Guests were welcomed by the president, and included the families of the members, American Legion members, and their families. Special guests of the Unit were introduced by the president, and they included Mrs .Charlotte Clark, President of The American Legion Auxiliary Unit 79 in South Hill; Mrs. Malcolm Winn, Fourth District President, and Mr. Wynn, of South Hill; Mrs. Ivey Holland, Department Vice President of the Second and Fourth Districts, and Mr. Holland, and Mrs. William T. Coyner, President, American Legion Auxiliary, Department of Virginia and Mr. Coyner, of Waynesboro. Mrs. Holland presented the Unit with a check, a prize for being the first Unit in the Fourth District to reach membership quota before December 25.

Mrs. Ivey Holland, Americanism Chairman for Unit 104, presented the program. A movie, "Stars and Stripes on Parade," was shown by Charles Gills, after which Mrs. Coyner gave a most interesting talk on Americanism. She traced the history of our country and how men have fought and died for the freedoms that we enjoy today ,and she stressed the importance of our continued efforts to preserve those freedoms that are so dear to all of us.

The Unit voted to support Heart Sunday by volunteering their services to solocit funds on the designated Sunday.

Church Census To Be Taken

This Sunday afternoon the homes in Appomattox will be contacted by volunteers of the local churches for the taking of a religious census among the white population. It is requested that someone be at home in each residence between two and three-thirty P. M. ,Sunday, February 15. The information on the census card will be: name, birth date, Sunday or Sabbath School member, church or denominational preference. All information will be kept confidential, for use only by your local pastors. This census will help the churches to serve the community more effectively. The wholehearted cooperation of everyone will be greatly appreciated.

Dates For Lake Season

It has been announced that Holliday Lake, along the Appomattox and Buckingham line, will be open for the 1959 season from May 30 through Labor Day. These areas are open for day use only. There are no cabins or overnight accomodations. Picnic areas and bathing and swimming, including bathhouse and lifeguard service; boats, fishing and a store where light refreshments are for sale.

MRS. S. S. SHOUSE P.- T. A. SPEAKER

Mrs. S. S. Shouse, who has recently returned from a stay in Lima, Peru, will be the guest speaker at the meeting of the Appomattox Elementary Parent Teacher Association. The meeting will be held at the school on Thursday night, Feb. 19, at 8:00 o'clock.

With only three games, two of them at home, on the regular season schedule, the Appomattox High School basketball team is rocketing away in high gear, with an overall record of 11 wins to a lone loss.

Friday night, here, A. H. S. goes up against Rustburg H. S. on Feb. 17, the local team journeys to New London in the final game away from home, and then returns here Feb. 20 to engage Brookville H. S. These are league games.

Appomattox took the measure of Nelson County H .S. here Tuesday night, before a large gathering of fans. The final tally was 69 to 58, with Carl Carter pouring in a handsome total of 33 points. Other scorers for A. H .S .were: Burks, 2; Almond, 5; Tibbs, 1; Ferguson 12, and Mitchell 16.

Last Friday night, A. H. S. won a 71 to 59 victory over the William Campbell H. S. quintet. Carter had 29 points, Mitchell 20, Ferguson 16, Burks 5, Tibbs 1 and for Campbell Booker led the way with 27.

Coach Gordon Broggs squad has piled up a most impressive record during the current season, and is away out front in the northern half of its league division.

Appomattox girls ran up a neat 56 to 53 win over Nelson County H. S. girls Tuesday night, but lost to William Campbell H. S. girls, 68 to 43 Friday night.

FIREMEN ANSWER SEVERAL ALARMS

Appomattox Volunteer Firemen were called out Friday afternoon to quell a grass fire on the local school campus. They were called out for the same purpose Saturday afternoon in an alarm from the old C. C .C. grounds area just outside of town. And the firemen answered an alarm Monday afternoon, when a tenant house fire occurred on the Gus Torrence property. All of the fires were subdued.

VERA P.-T. A.

The Vera P. -T .A. held its regular meeting Thursday evening. The president, Mr .Robert Morris, presided. Plans for improving the school ball diamond were discussed and improved. The students had on display their faulty pictures, which they called the "Small Fry" group. Judges awarded the prize to Miss Leslie Harris for the cutest picture. The attendance at this meeting was very good.

VERA S. C .A.

Vera school S. C .A. held its regular meeting Friday. Each room participated in the program, after which new songs were learned. The next meeting will be held Feb. 27.
—Reporter, Lois Morris.
